Dear artist, collectors, societies and friends,

It seems that there has been a confusion about how to book the hotel, which we will explain right now.

You do NOT have to reserve a room directly at the hotel. Room rates are special group prices and cannot be booked directly at the hotel. The hotel rate must be deposited, along with the congress participation fee, into the same account number (ES91 2100 0006 3502 0191 5519), since the hotel only accepts a single deposit from the organizer for all the reserves.

That is why it is VERY IMPORTANT that, along with the completed sheet with all the data, a copy of the transfer made is also attached and that the name of the congressman appears in the transfer concept, so that we can know who has paid for each item, and thus notify both, the participants and the hotel.

Below, I give an example of how you can notify us (in addition to attaching the completed form and proof of payment):

XXXX & XXXX will participate in the ex-libris congress from October 1 to October 6.

Participation artist 185€ + companion 150€ = 335€

hotel ALUA LEO / 5 nights: 5x90€ = 450€

Dinner supplement for 2 people of 14€ = 2 x (5x14€) = 140€

Total = 925€

We hope that this clarification helps to facilitate the process. Thank you very much for everything. We will be waiting for you at the congress!

Sincerely,

Mariano Casas

President of the ACE and the FISAE
